

# Declaration of Religious Belief

This document is intended as a formal Declaration of Religious Belief. I, the undersigned, do hereby acknowledge that *Lophophora williamsii*, the holy sacrament Peyote, is an essential and inseparable part of my religious practice. Due to ecological and social factors adversely affecting this plant's native habitat, I also acknowledge that cultivation of such is a bona fide religious practice and responsibility.

I do therefore declare that my consumption and cultivation of the holy sacrament Peyote to be a strictly religious practice afforded First Amendment protection under the Constitution of the United States of America.
